**Bush-Holley House by Candlelight  
Free, Family-Friendly Event December 11, 2016**

Cos Cob, CT, September 30, 2016--Join us for a festive holiday evening when, once a year, costumed interpreters lead "candlelight" tours through Bush-Holley House, Greenwich's only Registered National Historic Landmark. In addition to the family-friendly visit to Bush-Holley House, there will be live music, hot chocolate, seasonal goodies, winter-themed crafts for kids and a special appearance by Santa Claus from 5:30 to 6:30 pm.

Candlelight tours take roughly 45 minutes and focus on Christmas traditions as celebrated by the Bush family in the early nation period and later by the Holley family, residents in the early 1900s.

Tours begin at the Vanderbilt Education Center.
