ANNUAL REPORT

IF YOU LIVE OR WORK  
IN GREENWICH,  
YOU HAVE A STAKE  
IN THE GREENWICH  
HISTORICAL SOCIETY.

Greenwich enjoys a truly colorful past. From its precarious position on the Connecticut frontier during the American Revolution to its later reputation as a Gilded Age enclave for the rich and infamous, our town has long been associated with **well-known individuals and pivotal events** in the arts, business, journalism and politics.

The Historical Society contributes immeasurably to the cultural vitality of this unique community. We serve as your **bridge from the past to the future** by offering innovative programs, exhibitions and preservation initiatives. The Bush-Holley Historic Site, which boasts a bucolic period landscape, was home to one of the first American Impressionist art colonies and encompasses an extensive research library and archives chronicling all things Greenwich, the Vanderbilt Education Center and the 1805 Storehouse Gallery with rotating exhibitions and a museum shop.

At the Historical Society, you can attend fascinating lectures, enjoy hands-on family and educational programs, walk back in time on docent-led tours of Bush-Holley House and be captivated by live storytelling programs.

**One visit and you'll understand the value of supporting this invaluable Greenwich resource.**

# Letter from the Chairman and Executive Director

The Greenwich Historical Society plays a crucial role in preserving the history of Greenwich and provides a broad spectrum of educational programs that delight, inform and connect people in meaningful ways to the **social, architectural, economic and cultural heritage** of our community. The Historical Society has implemented numerous initiatives and innovations to fulfill this mission and engage new audiences.

We are increasingly employing **digital technologies** to both enhance the experience of participants in on-site programs and to deliver educational materials to those off-site. Examples include the following:

- Mounting multimedia exhibitions in our Storehouse Gallery
- Launching our new “Digital Archives,” which provides broad public access to our archival collections
- Initiating the creation of online learning resources such as content designed for students’ tablets
- Delivering historic photographs and feature articles through social media and our new online exhibition
- Expanding the scope, content and distribution of publications such as our online newsletter

Simultaneously, substantial progress was made in **facilities and program planning for our Strickland Road campus**, which will incorporate the Toby’s Tavern building, expansion of our archives and research library, and the ability to add to our on-site program capabilities.

Highlights of 2014 also included two major exhibitions, program partnerships with the Greenwich Library and the Greenwich Shellfish Commission, nomination of the River Road-Mead Avenue Historic District to the National Register, the **expansion of our documented Landmarks Sites** to 288 Greenwich historic properties, and the engagement of over 8,700 students and adults in firsthand experiences of American history and art.

All these efforts were possible only because of your support. Without our members, distinguished trustees, dedicated professional staff, devoted volunteers, community partners, generous patrons and donors, meeting our goals would not be possible. We are indebted to you all for your **dedication, participation and very generous contributions** this past year.

**Please join us in 2015 as we celebrate the Town of Greenwich’s 375th anniversary**, which, with your encouragement and support, will allow the Historical Society to expand its efforts to preserve and share our town's many stories and, in so doing, inspire a sense of place and a love of history in current and future generations.

Warm regards,

*Davidde E. Strackbein*

# Financial Highlights

**TREASURER’S COMMENTS:** Operating results for the fiscal year ended June 30 were essentially a breakeven. The balance sheet remains strong. The investment portfolio benefited from the strong stock market with a total return, including income and gains, of over \$500,000. Based on recent trends, returns going forward may not achieve that performance. Our portfolio is managed by The Investment Fund For Foundations (TIFF), which has over \$11 billion under management. Our continuing challenge is to provide the necessary funding for our wide range of preservation and education programs, bearing in mind that we receive no funding from the Town of Greenwich. We appreciate your past support and hope that you will continue to keep the Historical Society high on your list of priorities.—*Bruce Dixon, Vice Chairman and Treasurer*

# 2013-14 Highlights

Over the course of the year we launched three art and history exhibitions in the Storehouse Gallery and offered lectures and events that expanded exhibition themes in a variety of ways. We brought back the Fall Festival and Scarecrow Competition and added family-friendly activities to our Frolic at French Farm, so that all ages might have an opportunity to appreciate this Greenwich treasure. We also continued to have sellout crowds at Story Barn, which is fast becoming a Greenwich tradition.

All Greenwich public school third-graders took part in the Sarah Bush and Her Town program, which teaches about early life in Greenwich, and over 1,200 students, Scouts and adults enjoyed tours of beloved Bush-Holley House. In total, over 12,000 people visited our site to explore the many facets of Greenwich history.

# Preservation and Community Outreach

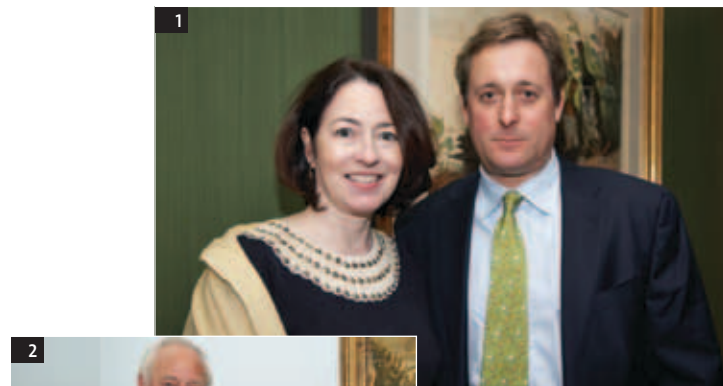

This year we celebrated the 25th anniversary of the Greenwich Landmark Recognition Program, which identifies and documents historically significant structures in Greenwich, by adding five historic structures to a roster of 283 historic resources. We now possess rich, accurate, authentic details about these important structures that will be preserved for all time. The Landmark Program will continue to encourage the preservation of Greenwich's architectural heritage as an important element of our history and continuing quality of life.

We also furthered our preservation initiatives with our biannual Preservation Awards and continued to reach out to the community through off-site lectures and partnership programs.

## Preservation and Outreach

# Antiquarius

## *Greenwich Historical Society's Antiquarius 2013 a Resounding Success*

Antiquarius is an annual series of holiday events and a major fundraiser for the Greenwich Historical Society. All proceeds go to support the Historical Society's education and preservation activities and its stewardship of Bush-Holley Historic Site.

Festivities began when, in recognition of their early and generous support, 150 individual and corporate patrons of Antiquarius 2013 were graciously feted at the home of Richard and Linda Breeden.

A preview party at the Greenwich Winter Antiques Show followed in early December where guests were wowed with a "Meet Me at the Beverly Hills Hotel" theme along with performances by "Marilyn Monroe" and "Frank Sinatra" set in a re-creation of the Polo Lounge.

Things kept rolling the following week, and despite a snowy first night, the Holiday Boutique offered elegant holiday shopping with over 30 exclusive specialty vendors.

Author/designer Tom Scheerer signed books, and concert pianist Randall Atcheson entertained shoppers throughout the evening. Going out on a high note, Antiquarius 2013 offered an extraordinary House Tour. We are indebted to the five incredible homeowners who were kind enough to open their spectacular homes to the community in support of the Historical Society.

Special thanks go to generous corporate sponsors **David Ogilvy & Associates, Douglas VanderHorn Architects, Fireman's Fund Insurance Company, Gabelli Funds, NEBCO Insurance Services** and **Northern Trust**, and exclusive media sponsor **Connecticut Cottages & Gardens**.

A salute to Horseneck Wines & Liquors, Broken Shed Vodka, Marcia Selden Catering and Meli Melo for providing festive food and libations throughout.

# 2014 Trust Event

The Greenwich Historic Trust, an annual leadership giving program, was established in honor of past chairman Claire F. Vanderbilt to support creative programming and fresh interpretations of history, to fund the restoration and interpretation of Bush-Holley House and to sustain preservation initiatives.

This year's program to recognize lead donors to the Trust was chaired by Lynne Wheat and Robert Getz and took place on June 3, 2014, at Seven Bridges, a foundation created in 1993 by Richard McKenzie to support both established and emerging living artists and to promote their creativity. This very special group of donors enjoyed cocktails and hors d'oeuvres surrounded by Seven Bridges' extraordinary collection of large-scale modernist and figurative paintings, art glass and sculptures. They were also treated to a private tour of the art glass collection led by Jim Schantz of Schantz Galleries.

**Fireman's Fund Insurance Company** and **NEBCO Insurance Services, LLC** generously underwrote the entire event.

# Gifts to the Library and Archives Collections

July 1, 2013 – June 30, 2014

To preserve our past for future generations, the Greenwich Historical Society Archives depends on the assistance of people interested in preserving the unique culture of Greenwich. We acquire, preserve and make available to the public publications and original documents about any aspect of the history of the Town of Greenwich from its founding to the present. These can include original letters, diaries, scrapbooks, minutes, reports and publications such as books, magazines, menus, brochures, flyers and campaign literature. For the fiscal year ending June 30, 2014, the collection received numerous donations from many caring individuals that will be used by future students and scholars.

**Jean Marc Bara**  
8” x 37” composite panoramic print (unframed, rolled) of Greenwich Avenue (larger version was featured in the exhibition “Greenwich: The Perspective of Time” curated by the Stamford Photography Club, which ran in the Storehouse Gallery from July 17 to September 1, 2013)

# Gifts to the Museum Collection

July 1, 2013 – June 30, 2014

The Museum Collection is comprised of objects that document the material culture of present and former inhabitants of Greenwich and its region. Particular emphasis is given to items connected to the history of Bush-Holley Historic Site or those useful to its interpretation. Objects include, but are not limited to, items associated with Greenwich people, places or events; fine and decorative arts; and maritime, agricultural, industrial and domestic artifacts that reflect the activities of the Bush family during the New Nation and of members of the Cos Cob art colony.

# Donors

July 1, 2013 – June 30, 2014

The Greenwich Historical Society values the many contributors whose financial gifts, recognized below, make possible our work to preserve the history of Greenwich and connect people to the meaning of American history.

These generous donors supported the Historical Society’s education programs, preservation services, special exhibitions and projects through membership and gifts to the annual fund, as major donors to the Greenwich Historic Trust, as Antiquarius patrons and as supporters of the Holiday House Tour. We extend our deepest appreciation to all our donors at every level of support.

## In memory of Chandler Bates

Chandler Bates joined the Board of Trustees in 1975, serving until 1983 and again from 1984 to 1992, at which time he was named an Honorary Trustee. He was a key player when the Archives was being built in 1986–1987 and was always willing to lend a helping hand in building or repairing anything that needed attention.

Drawing upon both his long history in the New York publishing world and his love of sailing, he served as editor of the history of the Indian Harbor Yacht Club, *A Century of Sailing, 1889–1989*. He also had a great sense of humor and a real love of history.

— *Davidde Strackbein*

## In memory of Ed Bragg

Ed Bragg was a long-time supporter, member of the Board and chair of the Development Committee, and an Advisory Council member. He was instrumental in saving and restoring the historic lighthouse on Great Captain’s Island through “Save the Light.” Together with his wife Margaret, he made possible the furnishing of the administrative offices in the Justus Luke Bush Storehouse in 1998. We will miss both his warm smile and his good counsel. — *Debra Mecky*
