INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Greenwich Historical Society, Inc.

We have audited the accompanying financial statements of Greenwich Historical Society, Inc. (a not-for-profit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

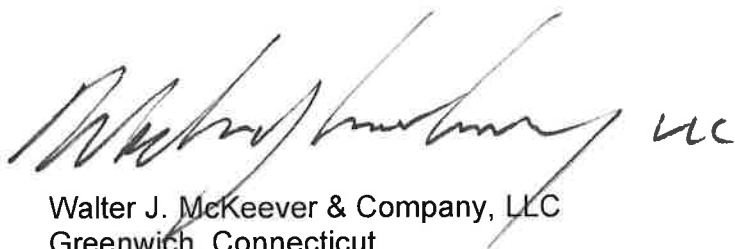

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Greenwich Historical Society, Inc. as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information on pages 16 - 18 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

GREENWICH HISTORICAL SOCIETY, INC
NOTES TO FINANCIAL STATEMENTS
June 30, 2021

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF ACTIVITIES

Greenwich Historical Society, Inc. (the "Historical Society") was organized in 1931 as a not-for-profit organization to preserve and interpret Greenwich history to strengthen the community's connection to its past, to each other and to the future.

BASIS OF PRESENTATION

The financial statements of the Historical Society have been prepared in accordance with generally accepted accounting principles which require reporting its financial position and activities according to the following asset classifications:

Net assets without donor restrictions – net assets that are not subject to donor-imposed restrictions and may be expended for any purpose at the discretion of the Historical Society's management and Board of Trustees.

Net assets with donor restrictions – net assets subject to restrictions imposed by donors. Some restrictions are temporary in nature which can be met by actions of the Historical Society or by the passage of time. Other donor restrictions are perpetual in nature where the donor has directed that the funds be maintained in perpetuity.

Contributions received are recorded as donor unrestricted or donor restricted, depending on the existence and/or nature of any restrictions. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is met), net assets are reclassified to net assets without donor restrictions and reported in the statement of activities as assets released from restrictions.

In 2016, the Financial Accounting Standards Board (FASB) issued ASU 2016-14 – Presentation of Financial Statements of Not-For-Profit Entities. It addresses net asset classification, requires disclosure about liquidity and availability of resources and consistency in presenting expenses and investment return. The provisions of the ASU have been applied retrospectively to all periods presented.

MEASURE OF OPERATIONS

The statement of activities reports all changes in net assets from operating and non-operating activities. Operating activities are attributable to the Historical Society's ongoing activities. Non-operating activities are limited to resources that generate return from investments, depreciation, and other activities considered to be of a more unusual and nonrecurring nature.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS

For purposes of the statement of cash flows, the Historical Society considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

INVENTORIES

Inventories are stated at the lower of cost or market determined by the first-in, first-out method.

INVESTMENTS

Investments are recorded at fair market value. See Note 2 for a discussion of fair value measurements. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in net assets without donor restrictions if the restrictions are satisfied (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

COLLECTION

Items in the collection which were acquired through purchases and contributions since the Historical Society's inception are not recognized as assets on the statement of financial position. These consist of manuscripts, reference works, art objects and other artifacts of historical significance that are held for public exhibition, education and research. Purchases of collection items are recorded as decreases in net assets without donor restrictions in the year in which the items are acquired, or as decreases in net assets with donor restrictions if the assets used to purchase the items were restricted by donors. Proceeds from the sale of any items in the collection or insurance recoveries are reflected as increases in the appropriate net asset classes and are used exclusively for reinvestment in the collection, the direct care and collection management.

HISTORIC LAND, BUILDINGS AND FURNITURE

Historic land, buildings and furniture are of historic importance and therefore, are not subject to depreciation. They are capitalized at cost if purchased and at fair value if received by donation.

PROPERTY, EQUIPMENT, AND FURNISHINGS

Depreciable assets are recorded at cost and depreciation is calculated using the straight-line method taken over their useful lives. Building and improvements are depreciated over 27.5 or 39 years and equipment and furnishings are depreciated over 5 to 10 years.

DONATED SERVICES

Donated services have not been reflected in the financial statements since no objective basis is available to measure the value of such services. However, trustees and volunteers donate significant amounts of their time to the Historical Society.

COMPENSATED ABSENCES

Employees of the Historical Society are entitled to paid vacation, paid sick days, and personal days off depending on job classification, length of service, and other factors. It is impractical to estimate the amount of compensation for future absences and, accordingly, no liability has been recorded in the accompanying financial statements. The Historical Society's policy is to recognize the costs of compensated absences when actually paid to employees.

FUNCTIONAL EXPENSES

The costs of providing program and other activities have been summarized on a functional basis in the statement of activities and in detail on the statement of functional expenses. Certain costs have been allocated among program and supporting services. Such allocations are determined by management on an equitable basis. Depending on the nature of the expense, allocations are based on time and effort and square footage.

INCOME TAX STATUS

The Historical Society is a "not-for-profit" organization as described in Section 509(a)(1) and 170(b)(1)(A)(vi) of the Internal Revenue Code and is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Historical Society is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Federal information returns are subject to examination for a period of three years from the filing date of the return; fiscal years ending June 30, 2018 through June 30, 2020 remain open.

New Accounting Pronouncement

FASB issued ASU 2014-09, Revenue from Contracts with Customers (Topic 606) which requires the recognition of revenue when promised goods or services are transferred to customers in an amount that reflects the consideration to which an entity expects to be entitled in exchange for those goods and services. A contract liability is also required to be recorded when an entity has the right to receive payment in advance of the satisfaction of performance obligations. The deferred effective date of this guidance for nonpublic entities is fiscal years beginning after December 15, 2019. Financial statements prepared using generally accepted accounting principles must follow Topic 606 guidelines. Implementation of this pronouncement had an immaterial effect on the financial statements.

NOTE 2. INVESTMENTS

The Historical Society's investments are reported at fair value in the accompanying statement of financial position. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Historical Society believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair value measurements at reporting date using:

	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
<u>Short-term investments:</u>				
Certificates of deposit	\$ 452,667	\$ 452,667	\$ -	\$ -
<u>Long-term investments:</u>				
Exchange-traded funds	\$ 1,114,368	\$ 1,114,368	\$ -	\$ -
Fixed income	748,054		748,054	
Insured deposits	74,509	74,509		
Mutual funds	6,810,091	-	-	6,810,091
Total Long-term investments	\$ 8,747,022	\$ 1,188,877	\$ 748,054	\$ 6,810,091

The fair value measurements authoritative literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs reflecting companies' own assumptions about the way assets should be priced and have the lowest priority.

Level 1 Fair Value Measurements: The fair values of certificates of deposit, insured deposits and exchange-traded funds that are based on quoted market prices from active markets.

Level 2 Fair Value Measurements: Corporate bonds have observable inputs to quoted fair values.

Level 3 Fair Value Measurements: The mutual funds are not actively traded and significant other observable inputs are not available; therefore, a degree of judgment is necessary to estimate fair value. Mutual funds are valued by the investment manager who evaluates the funds individually to determine that their net asset values are calculated appropriately and considers whether an adjustment to the net asset value is necessary based upon various factors, including, but not limited to, the attributes of the interest in each individual fund, including the rights and obligations, and any restriction on or illiquidity of such interests, and the fair value of such fund's investment portfolio or other assets and liabilities.

The following table provides further details of the Level 3 fair value investments for the year ended June 30, 2021:

	<u>\$ 502,428</u>	<u>\$ 1,332,601</u>	<u>\$ 1,835,028</u>

NOTE 3. EMPLOYEE BENEFIT PLANS

The Historical Society has a defined contribution plan (the "Plan") under section 403(b) of the Internal Revenue Code covering all employees with at least one year of service and who have attained the age of 25. The Historical Society makes a contribution to the Plan each year equal to 3% of all participants' compensation. In addition, the Historical Society entered into a tax-deferred annuity plan qualified under Section 403(b). The plan covers certain employees of the Historical Society. Employees may make contributions to the plan up to the maximum amount allowed by the Internal Revenue Code, if they wish. In 2007, a tax-deferred defined contribution plan qualified under Section 457(b) of the Internal Revenue Code was established for certain qualified employees. Total pension expense for the year ended June 30, 2021 was \$24,391.

NOTE 4. CONCENTRATIONS OF CREDIT RISK

The Historical Society maintains cash balances and short-term investments at two financial institutions located in Southern Connecticut. Funds at each financial institution are protected up to \$250,000 under Federal Deposit Insurance Coverage (FDIC). As of June 30, 2021, the Historical Society had \$193,741 of funds on deposit in excess of FDIC coverage at one financial institution.

The Historical Society maintains one investment account with The Investment Fund for Foundations ("TIFF") and two with The First Republic Bank. The investment accounts are protected by the Securities Investor Protection Corporation, which provides up to \$500,000 per investor (\$250,000 for cash claims), and internal policies that cover all cash and securities. The Historical Society also maintains one investment account with The Vanguard Group which is protected by the Securities Investor Protection Corporation. As of June 30, 2021, none of the Historical Society's investment securities were at risk.

NOTE 5. REIMAGINE THE CAMPUS CAMPAIGN

In 2015, the Historical Society embarked on a program to transform its campus which included the restoration of Toby's Tavern, the construction of a two-story archives and exhibition building, and the expansion of parking and improved access to the site. The total cost of the project was \$13.7 million, including \$1.7 million for the Program Enrichment Fund, which was a combination of public grants and private contributions. An anonymous donor matched contributions dollar-for-dollar up to \$6.75 million. The construction project was completed as of June 30, 2019 and the reimagined campus was opened to the public in October, 2018. In addition, an Endowment component with a goal of \$5 million was added to the Campaign.

NOTE 6. SBA PPP LOAN PAYABLE

On April 25, 2020 the Historical Society was approved for a loan of \$189,700 under the Paycheck Protection Program (PPP) created as part of the relief efforts related to COVID-19 and administered by the Small Business Administration. The loan accrued interest at 1%, but payments were not required to begin for six months after the funding of the loan. The Historical Society was eligible for loan forgiveness of up to 100% of the loan, upon meeting certain requirements. The loan was uncollateralized and was fully guaranteed by the Federal government. The Historical Society applied for full forgiveness of the loan which was approved on November 24, 2021. Upon forgiveness, operating revenue of \$189,700 was recognized.

On February 9, 2021 the Historical Society was approved for a second PPP loan in the amount of \$189,760 under the same terms and program. Subsequent to June 30, 2021, the Historical Society applied for and was granted full forgiveness of the PPP loan from the Small Business Administration.

NOTE 7. COLLECTION ITEMS PURCHASED

In November 2020, the Historical Society made a significant addition to its collection of Cos Cob Art Colony paintings with the use of donor restricted funds. The Historical Society collections meet the criteria for special accounting treatment; therefore, a policy has been adopted whereby capitalization is not required and revenue and expenses are not recognized. All collection activity is reported as increases or decreases in net assets. This acquisition was reported as a decrease in net assets with donor restrictions for the year ended June 30, 2021.

NOTE 8. BOARD DESIGNATED NET ASSETS

As of June 30, 2021, funds set aside by the Board of Trustees of the Historical Society as part of net assets without donor restrictions are as follows:

Major Maintenance – future major repairs	\$ 124,575
van der Stricht – preservation mission	138,473
Core Fund – for enhancements of educational programs, exhibitions, collections initiatives and expanded communications	985,232
General Reserve	<u>375,000</u>
	<u>\$ 1,623,280</u>

NOTE 10. NET ASSETS RESTRICTED IN PERPETUITY BY DONORS (ENDOWMENT)

At June 30, 2021, the net assets with donor restrictions for perpetual endowment comprises original contributions totaling \$4,387,479. According to Connecticut state law, any income, realized gains/losses, and unrealized gains/losses from net assets with donor restrictions for perpetual endowment are to be included with net assets with donor restrictions for time and purpose restrictions. The individual fund balances are presented in Note 9, Net Assets with Donor Restrictions.

The annual total return of the funds (comprised of interest, dividends and realized and unrealized gains and losses) will be distributed each fiscal year in an amount up to 5% of the average fair market value as of June 30th of the three preceding fiscal years, provided that no distribution may be made which would reduce the principal of the funds to less than their original amount. For the year ended June 30, 2021, \$164,000 was transferred to the unrestricted fund. Sixty percent of the David R. A. Wierdsma (D.R.A.W.) Fund distribution will be used to support art, history, landscape and preservation programs of the Historical Society and forty percent will support general operations. For the year ended June 30, 2021, the amount of the distribution was \$25,564.

Components of donor-restricted funds as of June 30, 2021 are as follows:
